Dear Friends of MCC,

Hope you and your families are doing well.

On June 11, MCC was honored to have the opportunity to participate and arrange the Lion/Dragon Dance performance to celebrate our new Recreation Center's grand opening. It was a historic moment for every participant to witness the ribbon cutting for the newly rebuilt center. Lion/Dragon Dance had brought in lots of joy and excitement on that day. MCC has donated total \$4000 to Millbrae Community Foundation to support the Furnishings, Fixtures & Equipment Fundraising for Recreation Center.

MCC will host a community gathering for all Millbrae residents on Thursday, August 11, 2022. It will be a social event to let our residents meet and receive some civic information sharing. We would like to invite you to enjoy free dinner and music in the new Recreation Center. See the flyer in our newsletter for reservation information or go to our website at Millbraeculture.org and sign up.

Our third Mid-Autumn Festival is cancelled this year for several reasons. Originally, we planned to have a 2-day event on 9/10 & 9/11, the Mid-Autumn Day, and submitted our application to the City in March. However, our city manager had concerned about the closure of the streets for two consecutive weekends since Arts & Wine festival is scheduled on 9/3 weekend and asked us to change the date to 9/24 & 9/25, also the city will not waive the fee per our request. Our board decided to withdraw the application if the dates must be changed to 9/24 & 9/25 because it will be too late and lose the meaning of celebrating Mid-Autumn two weeks after Mid-Autumn, and we also need to get the fee waiver to run the event. Many residents were disappointed when they heard about the cancellation of Mid-Autumn Festival, then we tried again to see if we can have the event on 9/5 with fee waiver. But it did not work out. Therefore, we are sorry to let everyone know that we will miss the Mid-Autumn Festival in Millbrae this time, however we are looking forward to seeing you on 8/11 Community Gathering. Thank you for your support.

Wish you a joyful and safe summer.

Sincerely,

Nienhwa Cheng

MCC Board President

Dear Valued Business Organization:

Thank you for your generous, long-time support of the Millbrae Cultural Committee (MCC) efforts to organize community activities in Millbrae.

This year, 2022 is evolving into a more promising year for activities as the pandemic eases. People are allocating additional time to get involved in civic matters in the community.

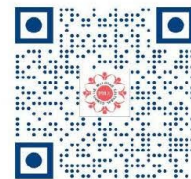

The Millbrae Cultural Committee will host a "Millbrae Community Gathering" night out for residents to meet either the city or the County level government officials for a Q&A civic night session.

We would like to ask you for your generous support to make this event possible. With your donation, we can make our community more united and better engaged in our city civic matters. We consider it an honor that you would consider being a part of the Millbrae Community Gathering.

We have enclosed a flyer for you to review. For information or correspondence, please contact **650-255-4435 (Marian)**.

A vibrant, stylized graphic for the "Millbrae 2022 Machines" event. The word "MILLBRAE" is written in large, red, 3D block letters with a green wood-grain background. Below it is a brown two-story building with a sign that says "SIXTEEN MILE HOUSE". An American flag is on the left, and a vertical sign with "MILLBRAE" is on the right. In the foreground, there are two classic cars: a red and tan Ford Mustang and a green Ford Mustang. Below the cars, the word "MACHINES" is written in large, red, 3D block letters with a green wood-grain background. The year "2022" is written in yellow, 3D block letters between the two "MACHINES" words.

July 2022 Edition

After two- and one-half years under pandemic restrictions, the world is finally alive with cautious health measurements. There are enormous civic developments that are of interest to Millbrae community like public safety, covid, monkeypox, local school district measure, and not to the least, our city housing and developments near the Train and Bart station and along the El Camino Real.

The Millbrae Cultural Committee (MCC) determined the need to organize and host a community civic information forum from 5:30 pm to 7 pm on Thursday, August 11, 2022, which includes a FREE dinner followed by a music performance after at the newly built Recreation

Center. This is a great opportunity for MCC showcase the architecturally beautiful and state of the art Recreation Center to our guests. We have invited the Mr. Curtis Chan, Deputy Health Officer of the San Mateo County Health Department to address Covid, Monkeypox, and public health related issues. The City Councilman Anders Fung together with the Sheriff's office to address the public safety in Millbrae. Someone from the City Hall will share housing and community development around the Millbrae Bart station and El Camino Real corridor. Our K-8 School District office will share the district needs.

Please come to this community gathering and civic information forum night. Seats is limited. Tell your friends and neighbors and RSVP on www.millbraeculture.org.

We are also in need of volunteers to help serve food and beverages, please contact Marian Kong if you are interested in volunteering at: marian.kong@gmail.com

Residential and Commercial Development for Office Depot Site

Plans for an apartment building with a commercial ground floor in Millbrae have been updated, with more residential units and more parking added, in addition to design changes to the building's exterior.

The building would replace a shuttered Office Depot and adjacent surface level parking lot at 959 El Camino Real with 278 residential units, up from the 232 units indicated in prior plans. The development also appears to have gained a floor, now six stories tall.

The ground level will be retail and other commercial uses and a total of 349 parking spaces will be provided in a garage, for both shoppers and residents. The location is sandwiched between El Camino Real and Broadway, the city's downtown corridor. Re-printed from the San Mateo County Daily Journal
